Subject: Notice of File Closure and Release of Reclamation Surety, Interpace Holdings, LLC, Ogden Clay Mine, S/057/0007, Weber County, Utah

Dear Mr. Rhine:

The Ogden Clay Mine, file number S/057/0007, located in Weber County, Utah, will now be closed and the file retired. On July 12, 2013, a site inspection was performed and it was determined that the site has satisfactorily been reclaimed and can be fully released.

We have written to Southwest Marine and General Insurance Company authorizing them to cancel and release the \$1,000 bond they are holding for this project (copy attached). We are returning your original Reclamation Contract and original surety to you for your disposal or return to your surety company as required.

You are hereby released by the Division from further reclamation responsibilities at this site. If you wish to conduct any future mining or exploration related activity in this area, you will need to submit a new Notice to the Division and other appropriate agency(s), and provide reclamation surety prior to creating any disturbance.

If you have any questions or concerns regarding this action, please contact me at (801) 538-5261 or Mike Bradley at 538-5332. Thank you for your time and consideration in completing the required reclamation on this project.

Sincerely,

Paul B. Baker
Minerals Program Manager
